This course is an accredited, course and there will be criteria that you need to meet in order to attain the qualification. You will need to also meet certain Learning Skills Council requirements in order for us to draw down the funding for your place. You will be asked to complete a form saying that you will pay any money we are unable to draw down by your not meeting the criteria.

Literacy & Numeracy Courses

Are you interested in updating or improving your Literacy and or Numeracy skills?

If you are then please do read on....

In Partnership with Devon Adult and Community Learning, we have arranged for courses in Literacy, (reading, writing, communication and listening,) Numeracy, (mathematics,) to take place in our centres. You will also be offered places elsewhere in existing courses in your local community, where available.

Sessions are

- Taught in small groups of around 6 people.
- Fun and interactive
- Relaxed and informal
- Taught by qualified and experienced teachers

Depending on the level you are working towards, when you are ready to be assessed, you will be invited to for:

- Entry Level qualifications submit a portfolio of your work;
 - or for
 - Level 1 or 2 - take the question paper;
- that, when assessed and passed, will enable you to have your certificate.

To take advantage of the Literacy and Numeracy sessions, please complete a Literacy and / or Numeracy Referral Form which is available from our offices, centres or from our website

Delivered in partnership with:

Adult & Community Learning
